

Report on Donations to the Foodbank for AGM 2026

The Foodbank has been very grateful for the generous donations which St Joseph's parishioners have made throughout the year, and a Certificate of Thanks was sent to the parish following the particularly generous gifts of Easter Eggs and treats.

The Foodbank organisers have said how the response of parishioners to the updated 'Items most needed' list (which is now published in the newsletter) has been.

Many thanks to everyone who has donated either goods or financially throughout the year.
